Guidelines for applying for Club Permit Scheme.

The Club Permit Scheme (CPS) recognised by VicRoads to make limited use of historic vehicles on Australian road network. This scheme allows 25+ year old cars, trucks, motorhomes or bikes to be driven under logbook rules that provide for 45 or 90 days per year use.

The scheme is popular because it provides lower total annual cost for permit and vehicle insurance when compared to normal registration and insurance.

Please refer to VicRoads website (www.vicroads.vic.gov.au) for general information about this scheme.

Our Club is authorised by VicRoads to operate under this scheme. There are responsibilities and obligations to VicRoads for both the permit holder and the Club.

Following guidelines are to assist intending CPS applicants to understand process. (Based on Newly implemented VicRoads CPS requirements commencing 31st January 2015)

- **You must be a (W.D.C.V.C.) FULL member and be financial before you can apply for a Club Permit. Associate member cannot apply for CPS registration unless they move across to FULL membership.**
- **You must have been a club member for a minimum of 3 months before being eligible to apply for a club permit and have attended at least two (2) club runs and one (1) general meeting each year.**
- **You must retain your Club membership for duration of holding your Club Permit. Our Club has a process to notify VicRoads when a member who has a CPS vehicle is no longer financial. Your car will be legally unregistered if you are not a financial member of Club that signed off on your Permit even if you have paid VicRoads CPS fee.**

If the vehicle was manufactured prior to 1st January 1949 a signed Safety Report from one of our two (2) VicRoads authorised officers is required.**
