FIRST GENERAL MEETING FOR 2023 is WEDNESDAY 25th JANUARY.
Join us from 6.30pm for FREE Sausage Sizzle before Meeting (7.30pm)

The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history.

Club regularly conducts events, monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows.

The Club's recently constructed Club Room caters for a range of activities such as Club gatherings, meetings and is often our starting point for runs.

Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

VALE Shane (Spud) Whitfield

Shane (Spud) joined Werribee and District Collectable Vehicle Club April 2015

Shane joined our club because of his love of a 1962 Ford Thunderbird that his father owned and had such fond memories to Shane from the years working alongside his father on the car. When Shane's father passed away Shane inherited the car and he wanted to keep his memories alive by keeping the car and joined our Car Club.

Shane quickly found that he actually knew a lot of our members though his career as a painter. Outside Club if any member required help Shane was on the job offering his services.

His no nonsense approach and quality of work continued to make him sought after and he was never out of projects to paint and not just houses, but cars as well.

Shane had a real zest for life and lived it to the full, with his happy and caring nature he soon became friends with all club members.

Shane was always first to advise he was attending Club events, at first not in his 62 T/Bird as it needed some minor work before it was safe to place on the road.

Shane was devoted to his wife Tracey, Shane could never deny Tracey what she wanted as long as it was something "PINK" and they would turn up to events in their latest car with all pink stripes or pink accents that Shane painted just to make Tracey happy.

At Club's Monthly Sunday event where our Club's BBQ Trailer operates, Shane made it quickly known he had long experience as a cook and was happy to run BBQ for us every month. He really made the job his own and everyone attending was treated to great Egg and Bacon Rolls cooked to perfection with no waiting as Shane with his reliable assistant Tracey had the whole process down pat.

Shane had a heart as big as he was and his genuine concern for others wellbeing was always evident and nothing was ever too much trouble for Shane to take on.

No Club survives without people like the Shane's of this world, to instil life into a Club along with fun, laughter and camaraderie. Shane was one in a million and will be sorely missed by all who had the pleasure of knowing him.

Our condolences go out to Tracey and Shane's family.

REST IN PEACE….

President's Report

PRESIDENT'S REPORT

Hello everyone,

Happy New Year to you all and I sincerely hope you all have a great 2023

For Club 2023 is looking to be a great year.

The team is working on events that I would encourage more members attend in support of those arranging events and runs.

Sadly to begin year Club said our farewells to one of our fellow members Shane (Spud) who passed away suddenly prior to Christmas. See more details elsewhere in newsletter.

In order to instil more interest the Club is looking to introduce alternate things for members to join in other than just driving from one place to another and return. I encourage you to read the newsletter to see what's coming up and I'm sure there are events to encourage you to attend.

Remember the Club General Meeting on 25th January the committee is putting on a FREE Sausage Sizzle to kick off the year, so come along at 6:30 get a banger or two.

This meeting will also have members receiving milestone awards that we have not had a chance to hand out due to breaks in meeting due to COVID.

Club continues to work with council on alternate opportunities for a Club Room to allow us more flexibility, and storage with use of building. This remains very early stages and no commitment has been given until members have their say and fully understand what it means to our Club and its members.

WDCVC Children's Christmas Party 11th December 2022

T'was a warm but unsettled day for our Children's Christmas Party where Santa was to be our very special guest.

With the Mustang packed we headed for Little River arriving around 11.30am. Prime positions were starting to fill by then. Tables and chairs, some even brought their own gazebos! The free public BBQs got a bit of a workout while others opted for easier options, chicken and salad, roll or the humble sandwich.

Due to the major incident on the freeway at Little River, police had closed the Princes Freeway. Unfortunately, some families were caught up in the traffic having to turn around and go home. Some persevered and finally arrived but much later in the day. Those poor kiddies!

While the adults were happy to sit and chat the kids were playing games and getting their faces painted. Elmo and Dora the Explorer were also there, meeting all the children.

The weather was starting to close in around 3pm so the gazebos were packed away just in time for our special guest to arrive. Instead of his usual mode of transport Santa had hitched a ride in Mark Reilly's red Nissan fire truck. Santa dismounted from the vehicle and with all the excited children in tow he took his seat inside the hall while the children sat patiently waiting for their name to be called. Most were happy to sit on Santa's knee for a photo, but others didn't want anything to do with the man in the big red suit… but a present soon put a smile on their faces. With his work here done Santa went on his way. He's a very busy man you know.

There were still raffles to be won! Christmas Hampers, a Tupperware hamper (donated by Tracey and Spud) and a beautiful Christmas cake (made and donated by Lyn Cook). Congratulations to the lucky winners.

Around 5pm we headed for home albeit the long way, taking the back roads as the freeway was still closed.

A big thankyou to Connie Mallia, Connie Galea, Heather O'Brien, Linda Galea, Les Turner, Prez Col, Spud and Tracey, and Daniel Smith for organizing Santa's chair.

Summer fun at Rippleside Park - 1st run for 2023

A fun day was had by members at the Rippleside Park in Geelong. Arriving around 11am, we sat under a row of gazebos sheltering us from the hot sun enjoying a cool breeze, chatting and relaxing, sharing stories of Christmas and New Year celebrations.

Colin had organised some great lawn games. Daniel won the horse shoe toss, Connie won quoits, Linda won the rolling pin toss and Mick won pin the tail on the donkey. Our kids really loved playing Jenjo - the wooden number toss game. They didn't follow any rules, so they all walked away winners on the day! It was some good old-fashioned fun!

Dee knitted whilst Jenny crocheted the afternoon away, we can't wait to see the finished projects ladies!

Everyone worked together packing up around 3pm and most members headed off around 3.30 It was a great day, with a real family atmosphere.
