GENERAL MEETING 26th April 2023 and FREE PIE NIGHT (6.30pm)

The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history. Club regularly conducts events, monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows.

The Club's recently constructed Club Room caters for a range of activities such as Club gatherings, meetings and is often our starting point for runs.

Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

HAPPY BIRTHDAY TO ALL MEMBERS HAVING A BIRTHDAY THIS MONTH

From the Editor...

Another month has passed and for Rod and I, it has been an enjoyable one with a couple of weeks spent cruising, finishing with the weekend in Sydney before flying home just in time to start working on this month's newsletter.

Many thanks to those who have written articles for this month's mag, from the great day we had for the Club Only Show and Shine, to the Club's CSM which is always well attended. Also, there is an article from Brett Murray noting a few good reads for the colder months. Makes for interesting reading.

Did you manage to find the "out of place item" in last month's newsletter? No... well keep your eye open for the "deliberate Mistake or out of place item" in this issue. The first 5 members to correctly identify the deliberate mistake or out of place item win a Large Mars Bar each. To collect prize you must attend General Meeting same month Newsletter is released. And remember, the Editors word is final!

Do you have an article that you think our members would enjoy? Maybe, how you came to own the magnificent vehicles that are in your shed. All articles are welcome (preferably with photos).

Or do you have something "For Sale or Wanted"?

Send these or any other articles for the newsletter to magoos_4@bigpond.com

Cut off is 10th of each month. If space permits, your article will be included in newsletter. If your article does not appear rest assured, it will appear in a subsequent edition.

Anyway, I hope you enjoy reading all the articles . . .

Jenny

Congratulations Tony and Connie

On 2nd April 2023 Club Members Tony and Connie Galea and their 1972 Chevrolet Corvette Coupe attended a Cancer awareness run to Ballarat organized by Route 66 car club.

On the day they won the Real Street Car trophy for their Corvette.

Well done guys!!!

Rattle Trap (Copied from Unique Car Magazine)

(By Peter Collins)

Many years ago, a friend bought a new VC Valiant locally from Austral Motors. From day one, it had a 'rattle' in the right rear somewhere.

The car was in the dealer's shop four or five times before the 'offender' was found.

Under the upholstery panel on the 'C' panel was a large nut hanging on a piece of wire attached to the body.

A chalk message read.

"Bet it took a while to find this "bastard" (True Story)

President's ramblings Colin Pierce:

Last night Colin and Ray (from Werribee Obedience Dog Club- Presidents Park) discussed this location being used as an alternative club room, at this point in time there appears to be no barriers/concerns with us using their facility, we will however have to change our General Meeting nights from Wednesday to Thursday. Council approval and committee meeting approval is still required, this is going to take some time to co-ordinate with all parties involved. Werribee Obedience Dog club is very well equipped with kitchen appliances, seating, however storage is limited, but should not be a problem. Cost has not been discussed. A working-bee will need to be arranged at a later date to co-ordinate the move. **Questions/Answer:** Parking available, lights not bitumen and gated as well.

A very big Thankyou (again) to all those that sold the raffle tickets at Tiger's Club, no final figure although so far \$2200.00, a future date will be arranged in the next couple of months.

Members only car show went well only change requested was for it not to be booked for a long weekend. June long weekend has been finalized no new names attending so far. Proposed car trip weekend-tour (no date as yet) trip looks something like Gippsland to Traralgon then Walhalla back to Trafalgar and off to Traralgon, Rosedale Maffra to visit car collection then lunch and back to Werribee. Leaving Friday returning Sunday and sometime September...ish.

Mid-week Club captain's report Les Turner:

Members Only Car Show Sunday 12th March

Our member's only car show held in the grounds of B24 Liberator Bomber Museum Geelong Road Werribee. Members didn't let us down and turned out in a fine eclectic collection of around 50 vehicles attracting many admirers from public who venture in and chatted with owners while perusing the cars, taking pictures then heading into B24 museum to listen to history of B24 restoration and various amounts of WW2 equipment. The run up of a static plane engine was also well received.

Snacks and Coffee available all day from **The Mini Express Coffee Food Van** we had onsite, even though we experienced a bit of trouble with power supply earlier in the day.

Thank you to members who volunteered and turned up early to get the setup gazebos etc., and remained behind to dismantle and clean the site.

Thank you to Brett for arranging and coordinating judging for all categories on the day.

Next year we will hold this event but ensure it's not during a long weekend to ensure more members attend in their club vehicles and hopefully score a trophy.

Club held a Raffle for members

- Second Prize \$100 Fuel Voucher Winner (Les Turner)
- Third Prize \$60 Club Membership Winner (Alf Schembri)

Sunday 2nd April Club Coffee Morning at 'The Feasting Shed' and Plant Nursery.

T'was first Club Run post end of Daylight saving for 2022/23, although most turned their clocks back giving them an additional hour under their doona, we did receive a couple of messages 'sorry I forgot to turn my clock back and will not be attending'.

For those who attended we had a very pleasant couple of hours chewing the fat over breakfast or nice hot cuppa. We picked apart the footy results and discussed what we thought the reason many of our teams are not performing too well, all except Paul who only after three weeks of straight wins believes Collingwood are certain premiers this year. Also a few members with FJ's turned out in force and we had 3 on display 1954 and 1956 FJ's looking splendid parked in carpark and attracting some nice comments from younger brigade of people buying plants from the nursery. Next Coffee morning is on Mother's Day Sunday 14th May at one of the Club's most popular Restaurants for holding our Coffee mornings "The Views Restaurant" on K Road Werribee South. Bring your lovely wife or partner along with MUM or a neighbour who may not have family around to take her out for a nice treat. Check Club Calendar of events for more details.

ON A CLEAR DAY..... CSM MARCH 26TH 2023

A really nice selection of member cars, plus some from our regular guests featured at Cherry Street on Sunday 26th of March. Outstanding were Trevor Ryan's choc brown award winning '70 Monaro, Braeden Harris's Chev Nova, David Bibby's recently completed '65 Impala, John Kirkbride's compact Buick convertible and the Blackstock's '57 Buick Century, to name a few. Wayne and Jen Rodgers now have a very well-presented Ford Capri. John Agosta Snr rolled up in the '49 Pontiac business coupe. Can't help mentioning this rare classic.

Visitors brought along some excellent machines: Roland Wade's pristine white Mainline ute, Brett Boardman's '47 Ford Convertible in midnight blue, and Denis McGrath's hot orange C3100 Chev ute. Renegades member Peter Bernhardt arrived in his '33 Ford pick-up rod in vivid green. Peter says the Renegades club has only 8 members, so they now have a standing invitation to visit every month.

Darren Berry again showed his outstanding Charger R/T. Take a look under the bonnet at the well set out Hemi 6 with the big side draught Webers. Beautiful. While we're lifting bonnets, Prez. Colin's un-restored but neat and complete FJ is a 69y.o. time capsule. The engine bay is absolutely as the General made it, right down to the last nut, bolt and screw. And clean. Such a pleasure to see.

A few of the regular crew were away, and chef Mark Reilly requested the day off to discuss his recently acquired ex-army Land Rover. This mighty 5 tonner with lots of armour plating and 6x6 drive was built at Albury in 1991. The original Land Rover engine couldn't pull this beast along, so a 3.9ltr four cylinder Isuzu turbo diesel is the replacement.

The day was a great success, as other members stepped up to assist. Thanks to Rose, Lindsay, Heather, Linda and Mick Galea, Colin Harris and John Ryan, plus others who arrived early and pitched in. Thanks to all who participated.

A few book ideas for the coming cold months

Bit of time since a few book reviews, but there are two new books that have popped up recently and I thought well worth letting some more of you know about them. The first one is a bit more general in topic.

The title is 'Old Vintage Melbourne 1960-1990' put together by Chris Macheras and published by 'Scribe'. This is a new release book and as you might expect is full of magnificent photos from the 60's through to 90's as many will remember that era. Naturally there are many shots of the streets of Melbourne crammed with the huge range of vehicles that occupied the streets at that time. There are also shots of early shopping centres when they first started to sprout. Shots from the Sorrento ferry as it passes an immigrant ship coming into berth. Shots of Westgate bridge under construction. Now if you say to yourself, 'yes, seen all those photos' then I can give you a pretty solid assurance you haven't seen these before. The book is full of so many new photos that a turn of every page will be sure to bring memories of living around Melbourne flooding back. Highly recommended.

The second is also a very new publication but is more 'vehicle specific' . . . and before many raise their eyes thinking. 'Oh my God he's going to bang on about another bloody Holden book' . . . then lower your eyes again and read on, all will be ok.

This book is entitled 'The cars of the 50's' and subtitled 'A history of cars manufactured and assembled in Australia during the 1950's. Its by a chap called Gavin Farmer and published by 'New Holland Publishers'. Now while Gavin Farmers name is new to me, he certainly bursts out of the blocks with this book.

He covers all the manufacturers from the period in intense detail. The author obviously has the best taste in cars as it is GMH he starts with, he follows on with companies like, Chrysler, Austin, BMC, the Rootes group, He also has a chapter on that other little pesky company called Ford (though of course I can't bring myself to read that part).

Then of course there was the 'niche' players like Hartnett, Mercedes, Renault, Goggomobil, Willy's and Land Rover etc

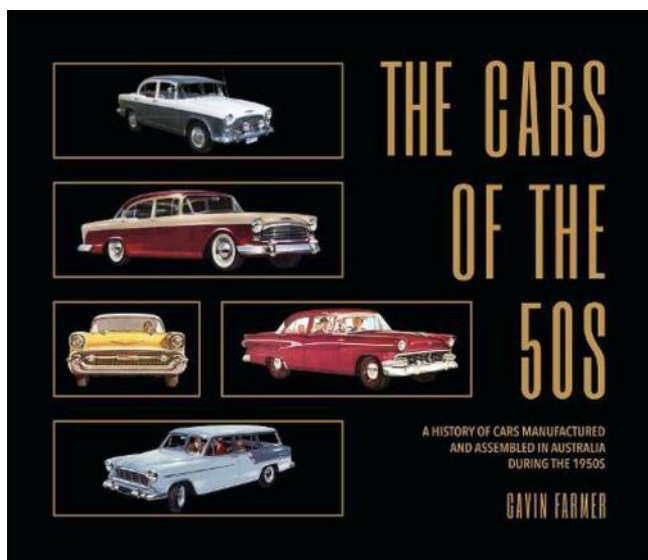

The photos are stunning and the text has you just wanting to read on and on.

The end of the book has charts on model specifications, vehicle comparisons, Australian registration statistics for each manufacturer for the period. If you are interested in this period guys then this will become a valued book in your collection.

Given this countries abandonment of the automotive manufacturing industry, this book might also have you feeling quite nostalgic and wanting to just go for a drive in your classichmm, so where *did* I leave the keys to the FX??

Please drive and be safe.

Regards to all, Brett and Julia
