Enter carpark at roundabout on corner of Mossfiel Drive and Branton Road Hoppers Crossing 3029.

Werribee & District Collectable Vehicle Club (WDCVC)

Guidelines for applying for Club Permit Scheme.

The Club Permit Scheme (CPS) recognised by VicRoads to allow limited use of historic vehicles on Australian road network. This scheme allows 25+ year old cars, trucks, motorhomes or motor bikes to be driven under logbook rules that provide for 45 or 90 days per year use.

The scheme is popular because it provides lower total annual cost for permit and vehicle insurance when compared to normal registration and insurance.

Please refer to VicRoads website (www.vicroads.vic.gov.au) for general information about this scheme.

Our Club is authorised by VicRoads to operate under this scheme. There are responsibilities and obligations to VicRoads for both the permit holder and the Club.

Following guidelines are to assist intending CPS applicants to understand process. (Based on latest implemented VicRoads CPS requirements commencing 31st January 2015)

- You must be a (W.D.C.V.C.) FULL member and be financial before you can apply for a Club Permit. Associate members are unable to apply for CPS registration unless they move across to FULL membership.
- You must be a financial club member for a minimum of 1 month before being eligible to apply for a club CPS permit and continue to attend at least two (3) club events and or meetings each year in accordance with club's By-Laws.
- You must retain your Club membership for duration of holding your Club Permit under WDCVC. Our Club has a process to notify VicRoads when a member who has a CPS vehicle is no longer financial. Your car will be legally unregistered if you are not a financial member of Club that signed off on your Permit even if you have paid VicRoads CPS fee.
- At least one W.D.C.V.C committee authorised to sign VicRoads forms must view vehicle before Club signs VicRoads eligibility form.
- For a vehicle to be eligible, an Australia vehicle Compliance Plate must show that vehicle is 25 years or older at time of application for Club Permit Registration.
- Application for a VicRoads CPS Plate must be accompanied with Proof of Ownership or Management of Vehicle document; this can be provided in the form of Original Receipt or Contract of Sale. The document to include VIN or Chassis Number, Engine Number, Name, Address and Signature of Previous Owner, Name and Address of New Owner and Date of Transaction.
- A completed Vehicle Eligibility and Standards Declaration Form approved by one of the Club's Safety Officers' must accompany application for CPS Plate.
- Download the two forms to apply for Club Permit from VIC Roads Web site www.vicroads.vic.gov.au.
- If car/motorcycle is a Historic Vehicle and not a Street Rod and manufactured after December 31st 1948 then a certificate of roadworthiness is required. If the vehicle was manufactured prior to 1st January 1949 a signed Safety Report from one of our two (2) VicRoads authorised officers is required.
- In the case an application is made in respect of a Street Rod, "That is a vehicle modified" in excess of the level prescribed in the Vehicle Standards Information No.8. (VSI8) document [PDF, 279 KB, 8pp.], a Street Rod Inspection certificate issued by any VASS Signatory [DOC. 1113KB, 7pp] authorized to undertake street rod inspections must be presented.
- After meeting our Club's waiting period a Member applying for Club Permit Scheme Plates must bring to meeting, minimum 5 images (Can be in electronic format) dated and signed (Front, Side, Rear, Interior and Engine) of vehicle for WDCVC club records. A passed Victorian certified roadworthiness certificate, or signed Safety report from one of the Club Safety Officers. Member to bring to club general meeting all completed documentation required by VicRoads with photos and completed VicRoads Club Permit Scheme application forms, for signing by Club Authorized Officers, all documents copied for Club records.
