The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history. Club conducts monthly general meetings, regular events, and monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows. Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

HAPPY BIRTHDAY TO ALL MEMBERS HAVING A BIRTHDAY THIS MONTH

Rose Ravaneschi, Fiona Kirkbride, Cathy Grist, Carmen Mallia, Shirley Pierce, Carmen Spiteri & Ami Smith.

President's Report

Dear Members,

I would like to remind everyone about the upcoming payment of annual renewal fees.

Please check your email inbox for 2025/2026 renewal form, which will be sent out to all members with your May Newsletter.

All fees for Club Year 2025/2026 must be paid into Club bank by June 30, 2025.

The committee is organizing a special event to celebrate club's 34th Anniversary, plus the grand opening of Clubs' New Rooms scheduled for Sunday, June 22nd, at Cambridge Reserve club room (Barber Drive Hoppers Crossing), where a 2 course catered lunch is being arranged.

Full details will be shared at our final general meeting in current club rooms on Wednesday 28th May and via e-mail to all members'.

Talking of our last General meeting to be held in current our club rooms.

To help mark the occasion, committee is arranging a pie night for members, so come along and be part of the night.

I'd like to take this opportunity to thank Tony Galea for his efforts in arranging a couple of other Car Clubs, mainly the Corvette and Mustang Clubs to join us for our April Cars and Coffee Casual Sunday it was a huge success. The success wasn't just to have these cars attend but also due the all the hard working volunteers for our Club that made it happen.

'Keep the Shiny Side Up'

Cheers Prez Col

(This months report came to you from the Bright Autumn Festival)

Report on Mid-Week Run to Mt Macedon Wednesday 9th April

Twenty-two members began arriving at our club rooms from 9:30, eager to start the day with a hot self-serve coffee or tea. After engaging in conversation about the cruise organized by Lorraine and Les, Les convened a drivers' meeting to confirm our route for the day.

We navigated through the heavy local traffic along Derrimut Road in Hoppers Crossing and successfully emerged onto the Western Highway at Rockbank.

From that point, we enjoyed a delightful drive through Gisborne, New Gisborne, and along the scenic back roads leading to Mt. Macedon.

Upon our arrival, we were greeted by numerous trees displaying early autumn colours, transitioning from green to yellow, creating a stunning visual. The staff at Mt. Macedon Hotel offered us the choice of seating inside or in one of their private dining rooms; we chose to sit outside to enjoy the mild temperatures.

Coffee morning at South Corner Café Sunday 4th May 2025

A small group of 8 caught up for our coffee morning at the South Corner Cafe on what was a lovely Autumn Day, though it was a bit chilli when it was time to climb out from under the doona. While down on numbers, there was plenty of chatter going on trying to solve the problems of the world, with only brief pauses while breakfasts were eaten and coffees had.

At around 11 we all headed of our own ways to the enjoy the rest of the day. A big thanks to those who come along.

Report on Coffee Breakfast at Anaia Café Sanctuary Lakes, Sunday 13th April

This year, almost all of our Club events have been fortunate enough to enjoy excellent weather, and this Sunday's visit to Anaia Café was no different.

Over the years, our Club has often frequented this café; however, it remained vacant for several years after the original owners were unable to continue operations post COVID.

Now, the café has been revitalized under new management and a new name, offering a fresh approach and a diverse menu to cater to various tastes.

Upon our arrival, the restaurant was bustling with local residents who had first visited the gym conveniently located next door before heading to the café for a substantial breakfast.

As we arrived, a group of 28 individuals from a nearby dance school was just leaving, prompting the very accommodating staff to quickly rearrange the seating for our group.

As is customary, we placed our orders upon arrival to assist the staff in managing service efficiently, ensuring that all tables were not served simultaneously.

After enjoying our meals, members mingled, catching up and discussing their plans for Easter.

By around noon, we began to disperse to pursue other activities, with Daniel and Brian heading off to watch the NRL match featuring the Storm.

WDCVC ANNUAL SHOW'N'SHINE

WDCVC ANNUAL SHOW'N'SHINE

Ian Cameron & Dianne Abbs Member #95

1964 Ford Galaxy

Ian is a long-time member of our car club since January 1999 and has had a very active life in the car industry and motor sport drag racing (Bathurst mechanic & driver in the 1960's). But there is one car that stands out and has a history of being raced at the drag racing meets locally and interstate.

It's Ian's legendary Ford Galaxy

Ian purchased the car in 1992 from Newcastle NSW, his interest being the Galaxies which were raced in the US on the NASCAR race events. A deal was done and the car was driven home.

A full restoration commenced with a larger 396 CI V8 brakes, steering, suspension, extractors, manifold, full interior, new exterior paint.

Ian has raced the Galaxy over the years and won numerous trophies, as Ian has said "I have had a good life !!! "

Despite, the long queue of potential buyers. The car is not for sale ☹️

There was a full story on Ian back in December 2023 newsletter by intrepid newshound John Marks, worth a read on a very interesting bloke!

Cheers-The Roving Reporter

HAIL, RAIN OR SHINE.... CSM April 27th, 2025.

Something strange (but good) happened last Sunday April 27th. After reading the forecast many of our members and most of the visitors defied the rain and attended our CSM.

The ground was dry at 6am, but half an hour later we had steady rain for two hours. Got a call from Rose and Mick Galea to the tune of "is it cancelled?" Arriving with the infrastructure around 8:00am the set-up crew were onsite, so up went the marquees and on went the kettles.

The April show was special, as Tony Galea had invited owners from the Corvette Owners Club of Australia (Victorian Branch), another group of Corvette owners from Geelong, and members of a Mustang club. They all had to come a fair distance and would have seen the rain, so we figured a fair bit of "no show".

Bays along the Side Street and Cherry Street had been roped off the night before to keep the visiting cars lined up together. Arriving back to Cherry Street with the F100, the bunting had been removed, and American Muscle Cars were lining up.

Plus, many of our own club cars also drove in. Just seemed like most were going to attend "hail rain or shine"!

Around 9:00am the rain cleared so all was forgiven. The chamois cloths were out and busy, and the visitor cars looked spectacular, hot Stingrays in perfect black and other rainbow colours. (Would you like a '97 Corvette for \$57K? Call Anthony on 0401 264 500). Ron Hunt's yellow '69 Fastback and Mark Reilly's late model 750

complemented the visiting Mustangs. Alex Grixti also drove up with his Mustang MC1

A couple of other visitor machines are worth a mention: Michael Cassar's lengthy Lincoln Continental needed one and a half parking bays. Good to see a young bloke with such a big old beast, which features a 6.6ltr V8. Michael has owned it for two years, originally a Queensland car. It's RHD Australian delivered, a "mobile lounge room".

The other, a '53 Chev Bel Air coupe owned by Arthur Mats, has some interesting mods, mainly body wise, but powered by a 341hp Commodore V8 through a 6speed trans. Car and owner were pleasantly eccentric. A '92 Capri received a few mods in Ian Miller's 2year tenure.

We missed Gary (Jumbo) Kennedy's A Model, but we got to see his HJ45 twin cab Toyota Cruiser. Gary built this by shortening the cab and adding a Ute body. With a later model Toyota turbo diesel, a winch and many other mods later including 4 piston disc brakes, Gary has a perfect bush-basher to tow his van. Lots of innovation from Gary as usual.

On a better day we would have had an even greater turn out, so two BBQ crews were recruited, however the first crew, Peter and Dee Lockwood assisted by Alf Schembri kept at it until stumps. We went through 6 dozen eggs, 48 sausages, 66 bread rolls, 3 packs of bacon, and on the desk Rose, Connie G and Karen used 6 litres of milk serving coffee and tea.

Thanks to the set-up crew of Lindsay, Prez Colin, Johns Ryan and Kirkbride, Tony G, Mick G, and VP Daniel. Also, to the desk crew and the BBQ team. Stand-by cooks Heather, Mark Reilly and Dom Campos had an easy day. Maybe some action on the last Sunday in May?

Thanks also To Tony G who sponsored the visiting clubs, to their members and our own, plus the other visitors for braving the rain. Looking forward to next time.

Join us in celebrating 34th Anniversary of your Club and the Grand Opening of the New Club Rooms.

FOR SALE TO A GOOD HOME.

This is a very rare 1959 Phase 3, 4Cylinder 3 speed Automatic Estate. Rescued a couple of years ago by Neil & Tim Fox & purchased by a club member whose health failed & I purchased it from him. Unfortunately my circumstance has also changed & I no longer feel capable of restoring this beauty. Thus I am offering it up for sale.

It drives, The engine starts & runs smoothly , transmission changes smooth & silently, The rear end is also very quiet. All seems to be original running gear. Pale blue seats are useable with tears only across the back of back rests. The original tools are still in the tailgate toolbox.

The body is straight BUT has nasty rust in the left & right sills with some rust in the rear lower mudguards & tailgate area. The doors also have minor rust. The car comes with a 1956 Phase 3 sedan parts car (**with all the required rust free panels** which are interchangeable. Also can refer purchaser to a club member who has a replacement tailgate at fair cost.

Check out the photos below & the car is in Werribee if you wish to look. The parts car is elsewhere due to space restraints..
