The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history. Club conducts monthly general meetings, regular events, and monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows. Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

President's Report

Hello Everyone!

Our AGM held and new committee sworn in for Club's 2025/2026 year. We gratefully have many carry over committee members and a couple of new faces in Michael (Mick) Galea as Vice President and Nick Calleja as General Committee to help with running our Club for next 12 months.

Please join me in welcoming Nick and Mick onto your committee and if you have suggestions for club events or runs please feel free to contact any committee member.

As we are now into October and at time of writing you have only 8 weeks to Club's Children's Christmas Picnic again being held at the Altona Miniature Railways in Newport.

Again in this month's Newsletter you will find a form to be completed and returned to committee no later than 31st October if you would like your children or grandchildren to receive a gift from Santa on the day.

Please check Events Calendar in this Newsletter to see what runs and events are programmed for the rest of 2025.

Club will be holding a combined final general meeting and break up party in the club rooms on Tuesday 16th December from 7:00PM.

Be safe and Keep the Shiny Side Up!

Cheers

Prez Col.

Presidents 2025 AGM Report 23/09/2025

I would like to start by expressing my gratitude to every committee member for their unwavering and diligent efforts that allow our club to function so effectively.

I extend my appreciation to Daniel, who, as Vice President, has stepped in to cover for me during my absences. Daniel has also played a crucial role in maintaining the Club's website and Facebook page, ensuring they are consistently updated. Regrettably, Daniel has chosen not to re-nominate this time, and I wish to thank him for his significant contributions and wish him success in his future endeavours.

I would also like to acknowledge Jenny, who manages our Club's finances with great skill and consistently goes above and beyond to ensure everything is well-organized.

Carmel deserves recognition for her outstanding secretarial work in preparing the minutes for our Club's monthly General Meetings and Committee sessions.

I would like to thank Connie Mallia for her dedication and hard work in organizing our special events, particularly the annual presentation night dinner.

Heather is commended for her readiness to support the team and assist with the execution of special events.

I extend my gratitude to Wayne for his increased participation on the committee and for maintaining the club car database in excellent condition.

Finally, I would like to thank all the other committee members who volunteer their time to help sustain the Club, including Dennis (Editor), Peter (Library), Charlie (Safety Officer), Les (Mid-Week Captain), Yves (Permit Officer), Len and Carmen (Regalia and Safety Officer), Rose (Welfare), Mick (Federation Representative), and John Marks although not actually a committee member but is responsible for coordinating our Cars and Coffee gathering.

We would like to express our appreciation to those members who readily volunteer at a moment's notice. Lindsay Coghill, Colin Harris, Peter Lockwood, Rod Matthews, Vicki and Tibor, Tony and Connie Galea, Mick Galea, Brian Gosney, Mark Reilly, John Ryan, Brian Daly, Rose Ravaneschi, and Linda Galea (I trust I have not overlooked anyone) who consistently rose to the occasion and provided support throughout 2024/2025. We extend our heartfelt thanks to you.

Continued

Club Membership

Membership in the club fluctuates; over the past 12 months, we welcomed 22 new members into our club. The current club membership stands at 190 members, not including wives and partners.

Club Runs and Activities

The club continues with the concept of monthly runs and meetings, as well as bi-monthly mid-week gatherings and coffee mornings.

At club runs or events, we seem to attract a core group of around 40 members who enjoy their time together.

In 2026/2027, the club is reviewing the types of events and is looking to introduce new locations alongside old favourites.

With the new club rooms that we now enjoy Club is able to hold more events to attract more members to attend.

Lastly, to you, WDCVC members, thank you for your patience with me for another year, I really have enjoyed my tenure.

President

Tony and Connie Galea's 1972 Chevrolet Corvette-Member # 224

A Chevy Corvette was always on Tony's radar and he actually joined our car club before he had purchased the car.

With some help the car was sourced from the U.S and imported to Australia.

He has owned the car for some 14 years it has a 1982 front end, which gives it a more modern look.

It has been partially resprayed about 2 years ago.

Minor upgrades only to the car with no major modifications to the vehicle.

Tony and Connie are long time members of the club attending many events and are heavily into assisting wherever possible. They both get much joy from the car.

Will Tony ever sell the car....Never!!!

Cheers -The Roving Reporter

Sunday 5th October Coffee/Breakfast Morning at Billy's Paddock Caroline Springs

Even with an hour less sleep from Saturday night, our club group woke up to a bright, sunny morning on the first day of Daylight Saving for the 2025 summer season.

The trip from home felt enjoyable with little traffic, and everyone got to the café well before our planned arrival time. Many members were keen to arrive early, and by 9:30, most had placed their breakfast orders.

Billy's Paddock Café makes the visit worthwhile for breakfast or lunch; it sits right in the heart of Caroline Springs shopping area.

Staff at Billy's Café was all extremely friendly and attentive, and all our meals arrived fast.

The food tasted delicious, and Wren's French toast looked amazing.

After eating, members felt full and said lunch was off the table, with just a light dinner later.

Several members had their post-breakfast plans set and we soon parted ways, some heading home others heading off for a drive, while a few of us needed to return home and catch up on chores.

Killer Cars Event - Epping 26/9/2025

A few of our club members attended a car show organised by the Killer Cars club of Melbourne at the local Italian Social Club in Epping.

Approximately 1000 cars in attendance, it was a great day; the weather was kind to us. A well organised event. Many food stalls, raffle prizes and trophies were available.

Approximately \$25000 was raised for their childhood cancer cause.

Cheers-Tony and Connie Galea

READ ALL ABOUT IT.... The CSM September 28th.

Members and visitors brought along a nice spread of machinery to our September show. Brett Murray celebrated getting his VT HSV Club Sport Commodore onto club plates. Then there was Mark Reilly, who arrived on a big Harley trike, which provided some music around the BBQ area. Mark reported that he and Heather took the train to Wodonga, then rode the Harley back home. (Showing off as usual, nearly as bad as Werner.) Trevor Ryan's late model Corvette was worth a look.

Brothers Sam and Charles Pace showed an XB Falcon coupe, very original with matching numbers, but a bit lower with serious wheels, and a very nice HJ Premier with a 350ci Chev and Turbo 400 trans, which Charles acquired recently. Charles, where's the Chev Apache?

Stephen Lewindon from the Hobsons Bay Men's Shed presented a HQ GTS coupe. Chrome work under the lid is exceptional. Peter Bernhardt from the Renegades showed his A Model rod, which boasts a 350ci Chev and Turbo 400 trans. Peter built it 20 years ago, the glass cab from Deuce Customs assembled on a salvaged chassis.

We saw quite a few Mustangs and a few Corvettes. Outstanding was Frank Curmi's '66 Mustang in turquoise / teal. Gary Lee's 1990 Corvette in red stood out. Gary rebuilt the suspension and brakes, but the body and duco were original to him. Fred Farrugia built his '69 Mustang from scratch, 15 years ago. Michael Canidsech has owned his '65 Mustang for 20 years, having improved the interior and carried out some mechanical work, Michael also installed the later 302ci Cleveland, but has the original 289 in the shed.

Late in the morning a convoy of Toranas rolled in. One owner Eric Pattalardo who showed his '76 XLR in hot orange (308ci) explained that the four had met at a Bunnings session and decided to check out our event. They were invited back. Mark Sheather's HR ute is impressive with a specced up 202ci blue motor, 4 speed floor shifter, 350 Holley and FC Commodore seats.

Dave Bibby left the Impala home and brought his 1992 "Café Racer" BMW bike. The last of the Boxers (twin horizontally opposed), says Dave. Chris Lloyd reported that his Charger is "nearly finished", having owned it since 2018. The original interior still looks fresh.

Once again we were lucky with the weather. An outdoor event in early spring is always Russian Roulette. Thanks to the volunteer team who made for a smooth well-organized day. Mark, Heather and Alfie at the BBQ trailer, Rose, Connie G assisted by Emmy Kennedy and then Linda Galea, with John Ryan, Colins Pierce and Harris, Brian Gosney, Lindsay, Alfie and Gary Kennedy setting up and dismantling the infrastructure. Also to members and visitors who arrived in numbers.
