NOVEMBER 2025 EDITION

Members Rides

Rob and Jan's 1976 Triumph Stag

Next General Meeting TUESDAY 25th November 2025 (7.30pm)

The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history. Club conducts monthly general meetings, regular events, and monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows. Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

HAPPY BIRTHDAY TO ALL MEMBERS HAVING A BIRTHDAY THIS MONTH

*Silvana Fragioli, Maryanne Pernice, Denis O'Brien,
Mark Reilly, John Ravaneschi, Johnson Smith, Josie

President's Report

Hello Everyone!

I'm sending this month's report from the banks of the Ovens River at 2026 Bright Rod Run our annual pilgrimage to this Iconic event.

In October the Club held its inaugural Continental Dinner coordinated by the lovely Connie. To make the night a huge success many members brought along a main meal or desserts to share with others.

Unfortunately our Club's Cars and Coffee Casual Sunday for October was postponed due to severe weather event, good call as it turned out to be serious wind and rain event, better luck with our last one for 2025 on Sunday 30th, so get out you ride and front up for a great morning.

Please check Events Calendar in this Newsletter to see what runs and events are programmed for the rest of 2025 and into 2026.

Club will be holding a combined final general meeting and break up party in the club rooms on Tuesday 16th December from 7:00PM.

Be safe and Keep the Shiny Side Up!

Cheers

Drug Testing and Canola Fields - Mid-Week Run 8th October 2025

Such a lovely day greeted us for the last Mid-Week run for 2025. 20 members met at our club rooms for a cuppa and a chat, thanks to Wayne for opening the club rooms. Soon Les was on his feet and after some directions from him we were off.

Not even out of Werribee and the traffic come to a stop. Police ahead! Most of us were waved through, but a couple of members were pulled over for drug testing. Must have passed as they were ushered out to continue the run.

Les had done his homework, driving up Ballan Road to Glenmore Road. Past Lady Northcote Camp, canola fields and wind turbines, up a big hill towards Anakie and then off to the Commercial Hotel in Ballan. Bob and Pauline Soulsby had driven down from outside Bendigo to join us, it was great to see you both.

We were ushered to a room of our own so we could make as much noise as we wanted. Lunches were ordered and eaten. Then Les stood up to get every one's attention and Lorraine and Jenny walked into the room each holding a plate with a cupcake with candle. We were celebrating 2 milestone birthdays for the 11th of October: Helen Taylor was turning 80 and yours truly was turning 60.

Everyone sang Happy Birthday to us both. Lorraine then brought in a tray of cupcakes for all to enjoy. Thank you, Lorraine, for making the cupcakes, they were lovely!

Around 3.30pm we started to think about making our way home but not before some of our ladies (and gents) went off to check out the local op shop to try to grab a bargain.

Thank you to Les and Lorraine Turner for once again organising a great day out, to Lorraine for making the yummy cupcakes and finally, to all members who have supported the mid-week runs through 2025.

Food Glorious Food

International Dinner 24th October 2025

As the title suggests, food, and plenty of it! Club held its first International Dinner at our club rooms and it was a roaring success! Around 40 members with a dish from their heritage joined in on the event.

Starting with mains: Hungarian Goulash, Kapusta, Lasagne, Qassatat, Quiche, Chicken Salad, Pork Stew & Spaghetti, Aussie Chow Mein, Hobz Tal Kunserva, Sushi, Honey Chicken, Prawns and Salmon, and Pastizzi. Such a large choice, and they were all lovely, saw many members going back for more.

After a short pause to let the main meal go down it was time to bring out the Desserts which included: Cassava Cake, Oliebol (Dutch donuts), Fruit Cake, Jam Tart, Trifle, and 2 Maltese Pudinas (a competition to see which was best). All were yummy to say the least.

Now the hard part of the night, with full bellies it was time to clean and pack up. Needless to say, some were a little sluggish.

Thank you to everyone who participated in making this an awesome evening. To our Master Chefs who spent hours cooking and preparing their lovely food, thank you for sharing.

As always, a big thanks to Connie Mallia for pulling the night together and to everyone who come early to help with the set up.

A great night was had by all, and I am sure it won't be the last International Dinner Night we have.

Rob & Jan Bradley's - Triumph Stag 1976- Member # 277

Rob has had this car for some 30 odd years, the same time his twin boys were born. He was after a convertible which had rear seats, so he could transport the family.

When his third child was born he asked his wife for the ok to get an E Type Jaguar, wishful thinking.

The Stag was purchased in quite good condition. It featured one time in the Melbourne Grand Prix parade carrying celebrities around the track.

A paint job was in order about seven years ago in the same colour, Tahitian Blue. Interior is original, the engine was rebuilt prior to purchase. The car has had all the usual wear and tear items over the years.

Rob also has a fantastic fully restored white TR4 and also a TR4A, three Triumphs in total and loves them all. Rob's hobby keeps him busy being the fastidious owner of his Triumph collection.

Cheers- The Roving Reporter

Need a little help?....Alf Schembri? Can Do.

On some of our events it's hard to miss Alf Schembri. It's not that he's so big or loud so just keep an eye out for the big green '54 Cadillac. There's a theory about small cars and big owners. Maybe Alfie should swap with Dave White, who seems to have outgrown the little Morrie, or maybe Jumbo's A Model coupe?

Sorry guys, let's cut the nonsense. No-one can recall Alf Schembri doing anything funny or silly, so it's hard to pin him down, except to say that on request, Alf will help you anytime, anywhere, any job.

Many of our members have been assisted with a car or other. At present Alf is helping his brother Charlie with a big '58 GMC utility. It's a full frame-off resto, with every little detail on agenda. Charlie is not short of a classic auto. Lurking in his shed down at Westleigh Gardens, is a very nice '56 Ford Sunliner convertible, and a '56 Ford Victoria (2 door) rare high roof model in red, and another '55 Victoria. A visit to Charlie's place reveals the bits and pieces of the GMC. Prominent is the massive front chrome work and the original stylish GMC tub which is getting the full treatment. The front guards presently reside in Charlie's trailer. Stop press: painting has commenced.

Alfie's first classic was a '53 Chev sedan, which he noticed sitting idle, the grass growing around it getting progressively higher. Finally Alfie plucked up the courage to enquire, and soon he was driving it home, all for the princely sum of \$400. Getting back to the Caddy, Alf claims that the green was original, and that some silly bugger painted it black. Alf and Mark Reilly restored the green in a back yard spray job. Looks professional!!

Alf arrived from Malta as a young kid with two brothers and a sister, and they settled in Cairns, where their father laboured cutting sugar cane. They moved to nearby Tully, but eventually the family settled in Carlton, where Alf had relatives. Growing up and by now living in Newport Alf worked at the Victorain Railways workshops. Gary Kennedy recalls Alfie patrolling the streets of Newport along with the other (bad?) boys. The VR blacksmith's shop with its noisy steam hammer soon got Alfie moving on. A long-held ambition was driving tanker trucks interstate, but that didn't last either.

Alf worked at Tutt-Bryant in Tottenham for many years, assembling and maintaining big equipment. One day Alf visited a panel shop and soon picked up the tools. Here he learned about and loved working on cars, not only panel work, but the full range including mechanicals. Alf also worked for Masseys in Yarraville, on general engineering for the Westgate Bridge.

Alf lives locally and joined the WDCVC around six years ago. He loves his three classic cars, including his Falcon XR6 ute and the XW Fairmont. Call in to his place and marvel at his wonderful collection of (valuable) junk. He'll show you photos of his family and (now not so) young son and all his past activities and workplaces, over a grog or a cup of tea. Alf Schembri is the sort of bloke who makes the WDCVC a great club.

Vintage cars race on historic Lake Perkolilli track in Red Dust Revival

By Jarrod Lucas ABC Goldfields

A clay pan in outback Western Australia, where red dust covers everything it touches, is perhaps the last place you would expect to find a classic car that, until now, had been kept in pristine condition.

But the bright red 1927 Austin 7 was unleashed this week, like so many other vintage cars from around Australia, as one of the country's oldest race tracks roared back to life.

Nearly 200 vintage cars and motorcycles made the journey to Lake Perkolilli, on the outskirts of Kalgoorlie-Boulder in WA's Goldfields, to race on the hard clay pan surface.

Murray Wood and his daughter Casey with a 1927 Austin 7 at the Red Dust Revival. *(ABC Goldfields: Jarrod Lucas)*

Among the car lovers were Kalgoorlie's Casey Wood and her father, Murray, who purchased a 1934 Austin for the occasion. Ms Wood was not content to simply be a passenger and borrowed her wheels from a close family friend, classic car collector Geoff Paynter.

"He's lent it to me to take it out for a spin," she said.

"Initially, Dad was terrified about it. It's been sitting in a shed for 15 years, and he's like: 'I don't want to chip it or dirty it up'.

"[Geoff's] response was: 'Drive it like you stole it, just enjoy it, enjoy the track and have fun,' that's all he cared about."

Red Dust Revival lives up to name

Known as the Red Dust Revival, the week-long event was held in 2019 and 2022, re-enacting races held at Lake Perkolilli more than a century ago.

Between 1914 and 1939, races were held on the lakes hard, smooth surface with drivers reaching speeds of 200 kilometres per hour in a time before quality roads were built.

"I love it, its good memory-making," Ms Wood said, pointing to the car's bonnet where "MAKING MEMORIES 2025" was written in dust.

"My dad has been coming out here since even before I was born, so I've grown up here ... this is where I learnt to ride my bike.

"It's grown into something quite extraordinary."

WDCVC Club cruise to Mt Franklin to join with Vintage and Classic Car Club Ballarat members for their annual picnic.

Report by Rob Bradley

It was a dry but very windy day when we drove to Mt Franklin. We drove separately on our chosen routes some of us stopping by the swap meet at Bacchus Marsh, the market in Daylesford or Brick Lane Bazaar collectables.

The traffic in Daylesford was very busy but once through that it was a short drive to Mt Franklin and the picnic site was quite scenic & sheltered from the wind.

There were a number of car clubs from central Victoria present and it was great to meet some of their members and also check out some interesting cars.

We all enjoyed chatting and eating some great food and in the early afternoon headed home before the rain came.
