## The Werribee and District Collectable Vehicle Club (Inc.)

Was formed in June 1991 to foster and advance interest in History, Restoration, Care and Preservation of Classic and Historic Motor Vehicles. It provides an avenue for sharing of information by owners of those vehicles. The Club is a not-for-profit organisation. We welcome as members all those interested in preservation of our motoring history. Club conducts monthly general meetings, regular events, and monthly runs for its members and assists community organisations with attendance at community events, retirement homes, parades and car shows. Generally our members come from those who own vehicles over 25 years old, but this is not a prerequisite for membership, anyone is welcome.

**HAPPY BIRTHDAY TO ALL MEMBERS HAVING A BIRTHDAY THIS MONTH**  
*Peter Fragioli, Ryan Kaio, Sam Pernice, Joan Gosney,  
Katie Galea,*

**GET WELL SOON!**

***WE WISH ALL MEMBERS WHO ARE FEELING POORLY  
A FULL AND SPEEDY RECOVERY***

# President's Report

Greetings,

Well since our last Newsletter we've had a visit from Santa and enjoyed Celebrating New Year's Eve to welcome in another year.

Sunday 4<sup>th</sup> Club members met for a nice Sunday Morning Cuppa and Breakfast at Wyndham Cache followed by a cruise to Farmers Arms in BEEAC for lunch and a tour of Ean's collection of special cars.

We will be holding a working bee at Club Rooms on Tuesday 27<sup>th</sup> hanging Club Honour Boards and setting up racking and sort out the library from our move into our new rooms in 2025. **A message will be sent out about timing.**

We are continuing to work with council to gain approvals for Club Signage.

## **See below reminders as we will not hold a Club meeting in January.**

- Sunday 11<sup>th</sup> Mick is running a cruise that includes a BYO Picnic to Sugarloaf Reservoir.
- Saturday 17<sup>th</sup> we will run a Twilight Run and finish at a local Picnic Spot to enjoy a BYO picnic meal.
- Sunday 25<sup>th</sup> is our First Monthly Cars and Coffee morning on corner of Kelly and Cherry Street Werribee. Contact John 0407 546 235 as he is always looking for volunteers to help run the event.
- Sunday 1<sup>st</sup> February 'already discussing club events into second month of the year' a Coffee Morning followed by a Cruise to Queenscliff Car Show.
- Wednesday 11<sup>th</sup> February is Les and Lorraine's First Mid-Week Run for 2026, this month to Queenscliff Bowls Club's Rip Bistro.
- Sunday 15<sup>th</sup> February we're heading off for a private tour of a Dowel's Car Museum before its open to the public.
- Sunday 22<sup>nd</sup> February Cars and Coffee Morning.
- Tuesday 24<sup>th</sup> is our first General meeting for 2026, it's also a Free Pizza night, and we recommend you arrive a little early to grab a slice of Pizza.

Please remember if you have something of interest you feel other members would enjoy reading, send it on through to your Editor, Dennis he'll do the rest.

**\*\*\*Please Note. There is 'NO' JANUARY GENERAL MEETING.**

**'Keep the Shiny Side Up'**

**Cheers**

## John and Elizabeth Ryan #418

### 1948 Ford Mercury Coupe Utility

John has owned the car for 9 years; his dad owned a similar model being a 1947 model. His father caught the train to Geelong and collected his vehicle directly from the Ford factory, no dealership delivery for him. Drove it out the gates from the Ford factory. His dad's car lasted until the mid '60s and was worn out and rusted. His dad travelled around the district repairing pumps and windmills, the Ute was well utilised. John retired in 2016 and had the hankering to obtain a similar vehicle for old time's sake. He was looking for over a year then bingo! A suitable Ute was advertised in Tambourine QLD, John discussed the matter with club member Mark Reilly .He checked it out and obtained the history of the vehicle spending a good period of its life in Dubbo and 40 plus years in Bourke NSW. John is the fifth owner. The vehicle is unrestored and original patina with very low mileage. There have been some minor repairs by good mate Jumbo Kennedy.

The Ute is well cared for and a credit to Johns enthusiasm for this classic piece of Australian motoring history.

John has spent many years of service as a volunteer fire fighter with the local CFA with a great deal of community involvement as well.

Cheers-The Roving Reporter

A group of 27 of our members arrived at Wyndham Cache to savour a relaxing Coffee and Breakfast.

Not everyone planned to join the cruise after breakfast, so some decided to head home to catch the cricket, while a few others went off to the movies and do some shopping, and others preferred to enjoy some quiet time.

Seventeen members were eager to hop into their cars for about a 1.5-hour cruise along our bumpy roads and highways to Beeac. Those in vehicles with stiffer suspensions unfortunately felt the bumps through their backsides a bit more than others.

It was shared on social media that there was supposed to be a car show for us to admire other people's vehicles, but according to Dorothy, the owner of Farmers Arms Hotel, only a handful of cars and bikes showed up and had already left for Ballarat by the time we got there.

This didn't dampen our spirits too much as our lunch reservation was at 1:30, and Dorothy mentioned they were fine with us sitting down and ordering lunch much earlier.

Members gathered over cold drinks to chat with others at their tables about their experiences during the festive season while waiting for lunch to be served.

One member quickly became deeply involved in colouring and solving puzzles on free colouring sheets provided by the Hotel, which were intended for children, but she had a great time and ended up receiving a reward for being so quiet and doing such a great job. She also enjoyed a meal called "Princess Chicken". This made her day even better.

Lunch was definitely worth the wait as the conversation quieted down while we relished our delicious, seemingly home-cooked pub meals.

After lunch, Ean opened his garage filled with unique cars and shared the history of some really nice vehicles, both road and track cars.

Then we took a short walk across the road to a Wind Mill display or headed to the Lolly and Ice Cream Shop for a sweet treat.

One member's car unfortunately had a flat battery when he tried to start it, but it was quickly fixed by other members with jumper cables and a car to jump from. It was then discovered that he had unknowingly been driving with a battery issue due to a wire from the Alternator being loose, a little tightening and all good again, very cheap solution.

Rather than all heading home together, some members chose to reconnect with family or take a sentimental journey around the area, reminiscing about their childhood holidays.

The remaining members made their way home through Colac, hoping for smoother roads, but unfortunately, the main highway was also riddled with potholes.

A nice cuppa coffee at the BP Roadhouse on the way home rounded out a great day.

# Ho, Ho, Ho, Merry Christmas - 7<sup>th</sup> December 2025

At last, we had some nice weather for Clubs annual "Kids Christmas party" held at the Altona Miniature Railway. There was a good turnout of members, with and without grandchildren, along for a great day out.

Set up was well under way by 9.30am. Social Secretary Connie Mallia and the team had it very much under control. Prez Col dropped by to check things were going well but as he was feeling a bit "Butchers Hook" with some sort of bug he made the call to head home giving the festivities a miss so as not to pass it on.

Heather and Jenny were busy selling raffle tickets, Jen Rodgers and Vicki M running the snack 'n' ice-cream station, while Linda Galea entertained the children.

The Miniature Railway again proved popular with both young and old going for a ride on the now extended track.

Before we knew it the word had got around Santa and Mrs Clause weren't far away. All the children gathered around eagerly awaiting their arrival. The train pulled into the station and much to the children's delight, the special two had arrived.

One by one names were called and the children collected their presents. The raffles were then drawn, congratulations to all winners.

Our day was coming to an end. Time for just one last train ride, mostly with adults.

Thank you to the Altona Miniature Railway. Peter and Dee Lockwood for arranging the use of the facility along with the Volunteers who gave up their Sunday to make the magic happen.

Another great event co-ordinated by Connie Mallia and your committee, ably assisted by the set-up crew and entertainment assistants, and our special guests Santa and Mrs Clause. Thank you to you all.

# SUMMERNATS 38 2026

Canberra certainly turned up the temperature for Summernats 38, but the heat didn't stop the action. For the first time, we entered our **VH Commodore**, and it was an unforgettable experience to finally have it part of the show rather than just watching from the sidelines.

Despite the scorching conditions, we managed to get plenty of seat time. Between the cruising and the driving events, the VH held its own, and soaking up the atmosphere from behind the wheel gave us a whole new perspective on the festival.

One of the biggest takeaways from the weekend was simply the calibre of vehicles on display. The range of cars was incredible, but the quality of the top-tier builds was truly next-level. Seeing the workmanship and attention to detail that goes into these machines is awe-inspiring and gives us plenty of motivation for our own future wrenching.

It was a hot, loud, and brilliant weekend. We're already looking forward to the next one!
